

Short Report on Recent Efforts

This VIM mission team joined with the Unicoi Christian Church in Tennessee to provide disaster recovery support.

VIM team members raise the funds needed for travel, lodging and food. They vacation time, take time away from their businesses and away from their families. VIM provides support for the projects and supplies needed on the trips. Together, we answer the call of God to serve.

Dr Otto Hernandez (light blue) has evangelized for over 35 years in remote regions of Guatemala while providing free medical clinics. VIM teams love working with Dr. Otto ! Two-three VIM team s will serve approximately 500 people per trip this year.

Your Support Matters!

Through your participation in fundraising events like this, VIM is able to provide medical & dental clinics and clinic supplies; evangelistic missions; and financial aid to missionary partners in:

China	Costa Rica
Dominican Republic	
Ghana	Guatemala
Haiti	Honduras
Philippines	Republic of Georgia

VIM also supports charitable and ministry efforts across New England and works with Apparel Impact aiding Manchester-based ministries.
